

Past perfect

De past perfect stemt overeen met de voltooid verleden tijd in het Nederlands.

Hoe vorm je de past perfect?

Er is een verschil tussen de enkelvoudige en de progressieve vorm.

Enkelvoudige vorm

De enkelvoudige vorm van de past perfect =

- de verleden tijd van to have (had)
- + voltooid deelwoord van het hoofdwerkwoord:

Bevestigend	Ontkennend	Vraagvorm
I had looked	I had not looked	Had I looked?
You had looked	You had not looked	Had you looked?
He/she/it had looked	He/she/it had not looked	Had he/she/it looked?
We had looked	We had not looked	Had we looked?
They had looked	They had not looked	Had they looked?

Progressieve vorm

Vorming =

- had
- + been
- + onvoltooid deelwoord

Bevestigend	Ontkennend	Vraagvorm
I had been looking	I had not been looking	Had I been looking?
You had been looking	You had not been looking	Had you been looking?
He/she/it had been looking	He/she/it had not been looking	Had he/she/it been looking?
We had been looking	We had not been looking	Had we been looking?
They had been looking	They had not been looking	Had they been looking?
